IN MEMORIAM

In loving memory of Bennett Harding who departed this life six years ago Dec. 26, 1965.

There's an open gate at the end of the road,
Through which each must go alone,
And there's a light we cannot see
For there our Father claims his own.

Beyond the gate our loved one
Will find happiness and rest
And there is comfort to us knowing that our Heavenly Father knows best.
Sadly missed by Wife, Daughters and Grandchildren.

In Sad But Loving Remembrance of Samuel M. Baldwin who departed this life, December 14, 1969.
We who think of you today,
Are the ones that loved you best;
Your weary hours, days of pain
Your troubled nights have passed.
Forget you, we could never --
It would be so hard to try.
We will think of you forever,
And love you 'til we die.

CARD of THANKS

I would like to thank my friends, relatives, neighbors and business associates for flowers, cards, gifts and visits during my stay in the hospital and since my return home. Special appreciation to my neighbors and relatives for so graciously giving me of their time by staying in my home for the past two months looking after my welfare in so many ways. Again thanks to friends for kindness shown me during illness and death of my sister-in-law, Mrs. Lucy Adams of Phenix, Va.

...ego Acreage Announced

...Department of Agriculture announced allotments for the 1972 Virginia Fire-Cured tobacco.

The 1972 allotment for Virginia fire-cured(Type 21)tobacco is 12,203 acres. The 1971 allotment was 12,612 acres. Virginia fire-cured tobacco acreage allotments for most farms will be about the same in 1972 as in 1971. For some farms on which the tobacco acreage history in recent years was less than 75 percent of the farm's allotment, the 1972 allotments may be reduced more in line with plantings.

The 1972 allotment for Virginia sun-cured (Type 37) tobacco is 2,100 acres, compared with 2,218 acres for 1971. Acreage allotments for most farms growing sun-cured tobacco will be about the same in 1972 as in 1971. Allotments for some farms having tobacco acreage history in recent years below 75 percent of their allotments may be reduced in 1972 more in line with plantings.

As in the past, a small acreage of each kind of tobacco has been reserved for establishing allotments for farms having no tobacco acreage history during the past five years for correcting errors, and for adjusting inequities. Notices showing the 1972 allotments for the farm will be mailed to operators of farms having Virginia fire-cured or sun-cured tobacco allotments.

The level of price support for the 1972 crop will be announced later. The 1971 crop was supported at 48.5 cents per pound in the case of fire-cured tobacco and 43.1 cents per pound in the case of sun-cured tobacco. Under existing legislation, the level of support for the 1972 crop will likely be higher than for the 1971 crop.

In a referendum held in February 1970, 93.8 percent of the fire-cured tobacco growers voting favored continuation of marketing quotas on the 1970 -72 crops. Virginia sun-cured tobacco growers voting a referendum Feb. 22-26, 1971 favored continuation of marketing quotas on the 1971-73 crops by 94.6 percent.

Munoz Elected Chairman RAG For VRMP

Dr. Anthony J. Munoz of Farmville has been elected Chairman of the Regional Advisory Group for the Virginia Regional Medical Program, Incorporated. Dr. Munoz replaces Dr. Mack I. Shanholtz of Richmond, who has served as Chairman of the Group for the past four years.

Dr. Munoz received his M.D. at Valencia University Medical School in Valencia, Spain, in 1951. He came to the United States in 1953, where he spent a one year rotating internship at St. Mary's Hospital in Hoboken, N. J. He came to Virginia in 1955, and served as resident in Surgery at Lewis-Gale and Roanoke Memorial Hospitals in Roanoke. He was certified by the American Board of Surgery in 1961 and is presently Chief of Staff at Southside Community Hospital in Farmville.

Active in many civic affairs, Dr. Munoz is Past President of the 4th District Medical Society and 3rd Vice President of the Virginia Medical Society. Among other things, he is also a Past President of the Cancer Society, Farmville Chapter; the Central Virginia TB and Respiratory Disease Association; and the Farmville Jaycees. Dr. Munoz and his wife, Mary Ellen, are the parents of three daughters and one son.

Other officers elected during the annual meeting of the Regional Medical Program last week end were Vice-Chairman Hunter A. Grumbles of Danville and Secretary Kenneth Rinker, R.N., Charlottesville.

The Virginia Regional Medical Program, Inc. (VRMP) is a federally funded but autonomous organization whose purpose is to improve the health care of the citizens of the State of Virginia. Its voluntary membership is drawn from all sectors of the health care delivery system and from members of the public concerned about and familiar with changing health care requirements.

The primary concern of VRMP is the fostering of cooperative arrangements among all health groups, institutions, and programs, private and public, in the areas of (1) increasing availability of care, (2) enhancing its quality, and (3) moderating its costs – making the organization of services and delivery of health care more efficient.

8TH – 9TH GRADE 4–H MEETING

On December 16, 1971 the Appomattox 8th and 9th grade 4-H Club and the Appomattox 5th grade 4-H Club meetings were held.

The Appomattox Intermediate 8th & 9th Grade 4-H Club was called to order by Hal Smith and the pledge of the flags were led by Gay Honeycutt and Judy Mayberry. Plans for the 4-H dance on December 30 were discussed. Gay and Judy were assigned to the committee for putting up posters in the school. The dance is for 4-H members and their guests, only everyone hopes this dance will be success as there will be more dances in the future.

Slides were shown on a summer trip taken by some county 4-H members. The meeting was then adjourned until next month,

by Judy Mayberry

??? & Answers About Taxes

This column of questions and answers on federal tax matters is provided by the local office of the U. S. Internal Revenue Service and is published as a public service to taxpayers.

Q – I have heard that we will file our income tax returns in Memphis rather than Philadelphia, is this correct?

A – Yes. Because of the increase in tax returns from 94 million in the early 1960's to 113 million in 1971 it was necessary for the IRS to establish three additional service centers. All Virginia individual income tax returns will be filed with the Memphis Service Center, 3131 Democrat Road, Memphis, Tennessee 38110, beginning January 1, 1972. You will find in your income tax package for 1971 a preaddressed envelope to the Memphis Service Denter. The IRS urges you to use this envelope to assure correct filing.

A Blessed Christmas
May you and your family enjoy a Christmas that is warm with happiness, and is truly blessed in every way. Many thanks for your support!
